The new home building industry is essential to British Columbia’s economic strength and prosperity.

- **New housing starts** – a key to economic growth in our province.
- **On-site and off-site jobs** in new home construction, a major source of employment in British Columbia.
- **Billion in wages** – that show up in purchases across the entire provincial economy.
- **Billion in investment value** – the largest single wealth-builder for most families.
