

NET ZERO ENERGY HOUSING COUNCIL APPLICATION FORM

Members of the Net Zero Energy Housing Council (NZC) are selected for their demonstrated competence and experience in NZE or R-2000 Housing. Alternately, members bring significant knowledge or capability to the Council in specialized areas important to the advancement of NZE Housing. The 50 people and organizations that will form the membership of the Council will play an important role in 1) providing input on the key priorities of the Council, and 2) working to achieve the Council's Mandate and Action Plan.
