WHAT WOULD YOU DO?

Construction trades helpers and laborers assist skilled tradespeople by preparing work areas, transporting materials, and maintaining tools, ensuring smooth and safe project operations. Their attention to detail provides valuable experience, leading to further opportunities in the industry. They play a key role in tasks like mixing concrete and setting up scaffolding to complete projects efficiently and to high standards.

SALARY RANGE:

\$47,840 - \$72,800

Mid range High range

The wage range shown is calculated by multiplying hourly rates by a 40-hour work week. Wages can differ. Wage data obtained from Glassdoor.
