# DON'T TAKE CHANCES WHEN HIRING A CONTRACTOR.

Get informed – before you start!

**Get it in Writing!** gives you comprehensive online information on the right way to hire a contractor, and avoid problems. Learn about:

- ✓ *How to decide who has the right skills for your project*
- ✓ *What to ask contractors before you hire them – and what their answers should be*
- ✓ *What a price quote should tell you*
- ✓ *The type of warranty you should get*
- ✓ *Why any Contractor must have insurance and Workers' Compensation to protect you from risks*
- ✓ *How building permits and inspections keep it legal and safe for you*
- ✓ *And why a written contract is essential for your financial security*

**Never hire a contractor unless you *Get it in Writing!* first.
